Puyallup, WA 98372-2516

Roofing Conditions & Procedures

Noncompliance could lead to rejection of material

All loads will be inspected

1. (3) Three- Tab ONLY! No hot mop, torch down or built up of any kind.
2. MUST BE ASBESTOS FREE. Roofing over 20 years old must be accompanied by a certified testing form.
3. Roofing material can have underlining roofing paper (tar paper only, not the tan wax coating paper) nails or staples.
4. All metal flashing, wood sheeting, plastic or small amounts of trash need to be separated into the courtesy bins located at the north side of the roofing drop off area.
5. (1) One ton is the minimum billable amount.
6. If bringing in several loads (example: in a pickup or small trailer) please be prepared to leave a credit card number, open check or enough cash to cover the load. Miles Resources will leave it open until the job is done, just in case some small loads are under our minimum. When the job is finished Miles Resources will total all heavy weights and all empty weights and subtract for all actual amounts.
7. Drop off hours are between 7:00 am and 3:30 pm. If hand unloading please arrive 45 minutes before closing to assure completing before the scale closes.

Thank you for your cooperation,

Miles Resources LLC.
